### Local Authorities in Liquisa receive Technical Team to discuss Tibar Bay Port PPP Plans

District Administrator Sen. Domingos da Conceção dos Santos met with a delegation led by Director General of Ministry of Transport and Communications Sen. Joanico Gonçalves on Monday 19 May in Liquisa. The delegation included members of the Technical Team for Stakeholder Engagement, among others Ministry of Social Solidarity, Secretary of State for Land and Property, SEPFOPPE, Secretary of State for Environment, Major Projects Secretariat from Ministry of Finance, and IFC.

The Director General described the planned Tibar Bay Port PPP and the need to consult and coordinate with local authorities and the community. The District Administrator appreciated the opportunity to be involved at an early stage in the process and agreed to prepare the community meeting together with the chefe suco of Tibar and Ulmera and the traditional leaders (*lian nain*) and other relevant representatives. Meeting with the community are planned for the beginning of June. The Technical Team will provide support as required in the preparations of the meeting.

Information materials in the form of posters and leaflets were made available to the District Administrator and will be displayed in the District Administration Office as well as the Sucu Office of Tibar and Ulmera.
