RE: Articles Of Organization of OPUS & BEST LAW SERVICES, LLC

Dear Sir/Madam:

Thank you for your recent submission. We regret we have not been able to file this document for the following reasons:

Based on the proposed limited liability company name, it appears you are attempting to form a professional service limited liability company. A professional service limited liability company includes any practice as an attorney and counselor-at-law, or as a licensed physician, and those occupations designated in Title Eight of the Education Law. If you are attempting to form a professional service limited liability company, the document must comply with Article 12 of the Limited Liability Company Law. If you are not attempting to form a professional service limited liability company, please re-submit the document to my attention.

As you submitted the certificate for filing under the Expedited Handling option, \$25 has been charged to your credit card for this service. If you desire to have your corrected certificate processed under Expedited Handling please return your certificate to the attention of "Expedited Handling" with a new signed and completed Credit Card Authorization Form or separate checks or money orders for the filing fee and the expedited handling fee.

I hope you find the above information to be of assistance. If I may provide any further information to clarify this matter to ensure we are able to file your document upon its re-submission, please do not hesitate to contact me at the number listed below.

Please return a copy of this letter with your re-submission to facilitate the processing of your certificate(s).

Sincerely,

Joan C.
